'BRIDGING THE YEARS'
2012 MEETING
SEPTEMBER 21, 2010 AT BL CURLING RINK

1. Monument committee update & discussion:
 - a) thanks to Patti for hosting a number of monument committee meetings—10 submissions from 8 artists..b/c a final decision on selecting an artist to construct the legacy monument, Patti gave a brief overview of what was submitted...the committee was excited to receive 10 submissions of high quality and professionalism
 - b) Jenna designed a flyer/brochure for the request of financial donations for the monument, corrections were made and it was discussed to wait until the agenda can be printed on the reverse side of the flyer then they can be mailed out. This will then serve a double purpose.
 - c) It was suggested NOT to put a pix of the proposed legacy monument on the flyer so that it would keep the public curious and wanting to attend the unveiling
2. Reunion update & discussion: there was no representation from the reunion committee
3. A discussion was held regarding the amount of funding available to date. Of the \$1,000 provided by the town as an initial startup fund, \$280 was used to cover expenses of monument committee's representatives trip to Lumsden.
4. Other discussion: the five in attendance discussed to quite lengths, about increasing our attendance and getting town council to sit in on these meetings....Mabel volunteered to be the phoning person and upon receiving an updated contact list from Vivian will proceed to contact all those from the original meeting and inform them of upcoming meetings THANK YOU MABEL!!!!
Vivian will provide for the next meeting an updated list of committee members, agenda for the weekend's events,
Laurie will invite the representative from North Star Apparel to attend our November mtg and provide the committee with souvenir options—we had discussed that postal stamps through Canada Post would be a wonderful idea as almost everyone uses stamps or they can choose to collect them instead.
