Dear Community Member,

We, the Councils of the Rural Municipality and Town of Blaine Lake are looking to our future and how we want to shape and guide our medium and long term plans for growth and development.

This initiative will lead to the development of an Official Community Plan (OCP). The OCP will provide a comprehensive policy framework to guide the physical, environmental, economic, social and cultural development of our community.

We are inviting you to attend an information meeting about this exciting community planning initiative. We have hired the planning firm of Prairie Wild Consulting Co. to assist with this process.

Lenore Swystun together with senior associate, Karen Thogersen, will be sharing information with us about this dynamic participatory process that will be taking place over the next few months and how we can be involved.

All members of the local community and region are invited. So please join us, bring your family, and invite the neighbours – youth, seniors, rural and town folk alike. We need your ideas. Please come and be a part of shaping our community's future.

WHEN AND WHERE:

**Thursday, March 18, 2010**  
**Blaine Lake Community Hall (107 Main St.)**  
**7 -9 pm (coffee and donuts provided)**  
**FREE DOOR PRIZE DRAW**

If you have any questions or would like more information about this process please call Anna or Tony for more information. : 497-2531 or 497-2282.

Sincerely,

The Councils of the Town and RM of Blaine Lake
